

Health Care Providers— We Appreciate You!

B'more for Healthy Babies (BHB) knows that providers have a big impact on families. What you do and say truly matters, and BHB is here to support you.

Looking for more resources on healthy babies and families? Access the B'more for Healthy Babies Provider Portal to support your practice:

Connect parents and caregivers to services such as home visiting, early intervention, cribs, WIC, and more

Explore fact sheets, counseling tips, discussion guides, and best practices to help infants thrive in healthy families

Learn more about the updated electronic Prenatal Risk Assessment (ePRA)

Get the latest data, resources, and tips delivered to your inbox
